Re: Planulina Zone, Reservoirs A and B  
Northwest Oakley Field  
Assumption Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **EOG RESOURCES, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Planulina Zone, Reservoirs A and B, in the Northwest Oakley Field, Assumption Parish, Louisiana:

1. To establish rules and regulations and to create drilling and production units for the exploration for and production of gas and condensate from the Planulina Zone, Reservoirs A and B, in the Northwest Oakley Field, Assumption Parish, Louisiana, said units to be designated PLAN RA SUA, PLAN RB SUA and PLAN RB SUB, all as shown on the plat attached hereto and made a part hereof.

2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units with each tract sharing in unit production on a surface acreage basis of participation.

3. To provide that any future wells drilled to the Planulina Zone, Reservoirs A and B, in the Northwest Oakley Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

4. To provide that the Commissioner of Conservation should be authorized to reclassify the zone and reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Planulina Zone, in the Northwest Oakley Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 14,410 feet and 14,865 feet (electrical log measurements) (14,074 feet and 14,529 feet – true vertical depths) in the Southwestern Energy Production Company – Dugas & LeBlanc No. 1 Well, located in Section 4, Township 13 South, Range 13 East, Assumption Parish, Louisiana.

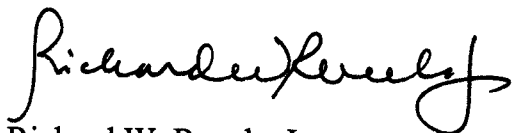

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux, Leon Comeaux and Associates, 305 La Rue France, Lafayette, Louisiana 70503, Telephone No. 337/233-9839.

Pursuant to the Revised Rules of Procedure, pre-application notice was given to all known Interested Parties. No request for the conference was received. Therefore the conference tentatively scheduled for May 20, 2004, **WILL NOT BE HELD**.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, along with the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the pre-application notice dated April 29, 2004) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
